What is a school?

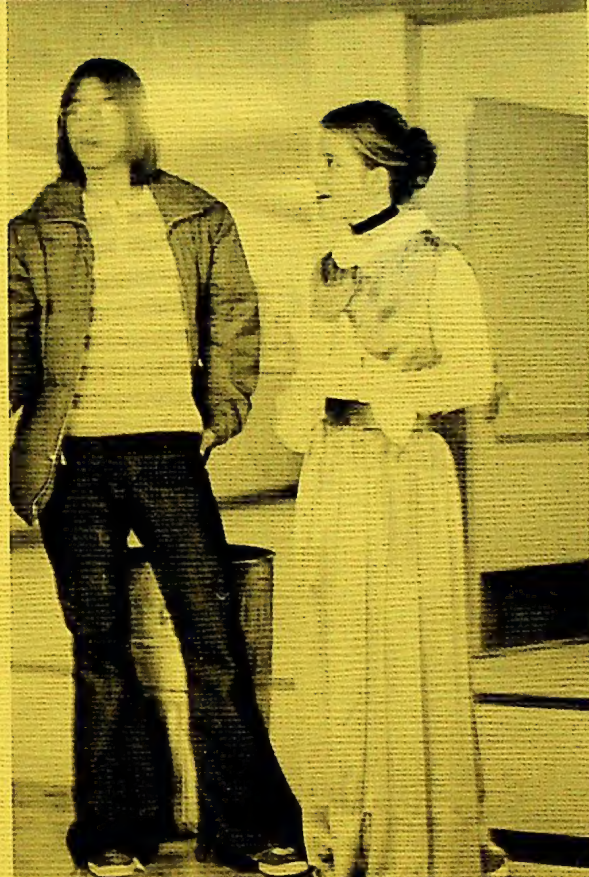

A school is a place with classrooms,
students, teachers, books and tests!

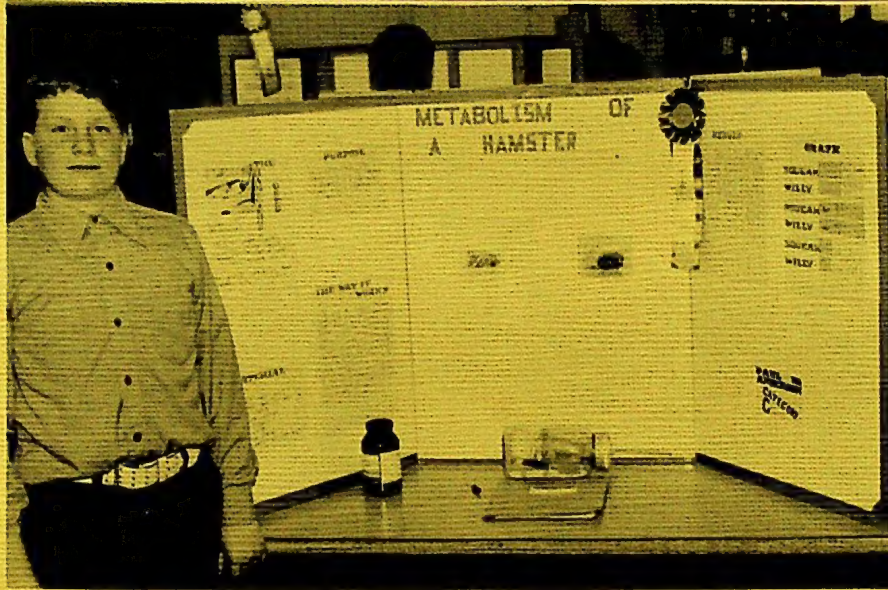

In Hardisty, students get involved and participate in student activities.

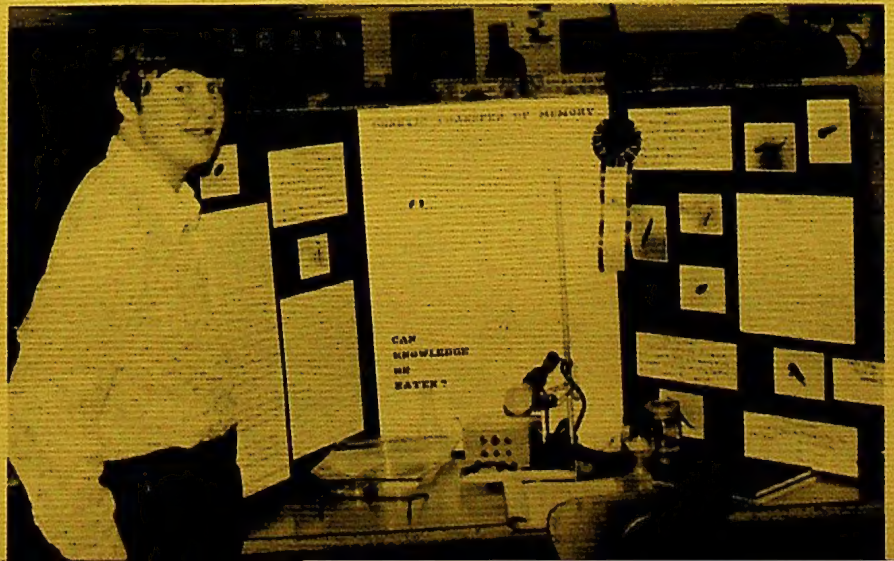

School is a place where friendships are made.

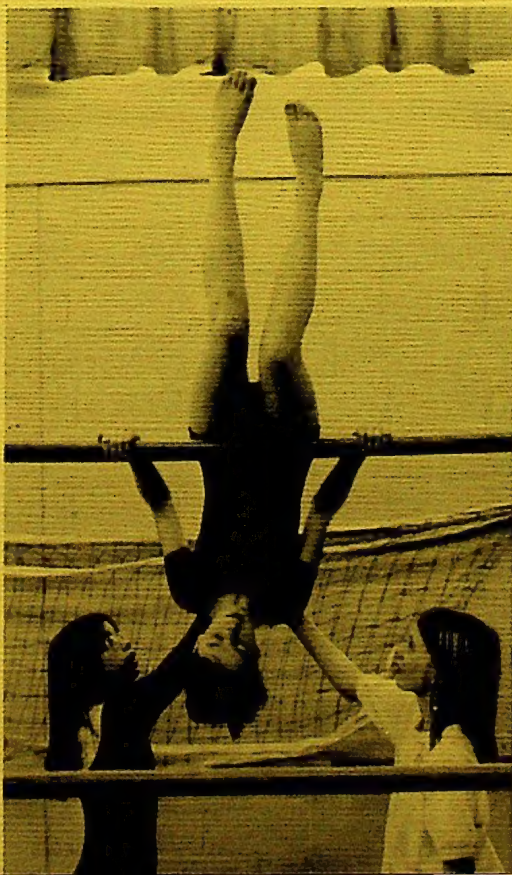

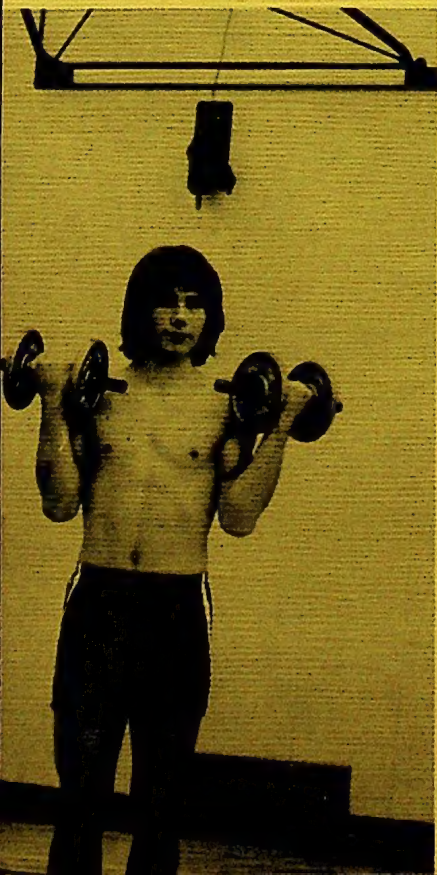

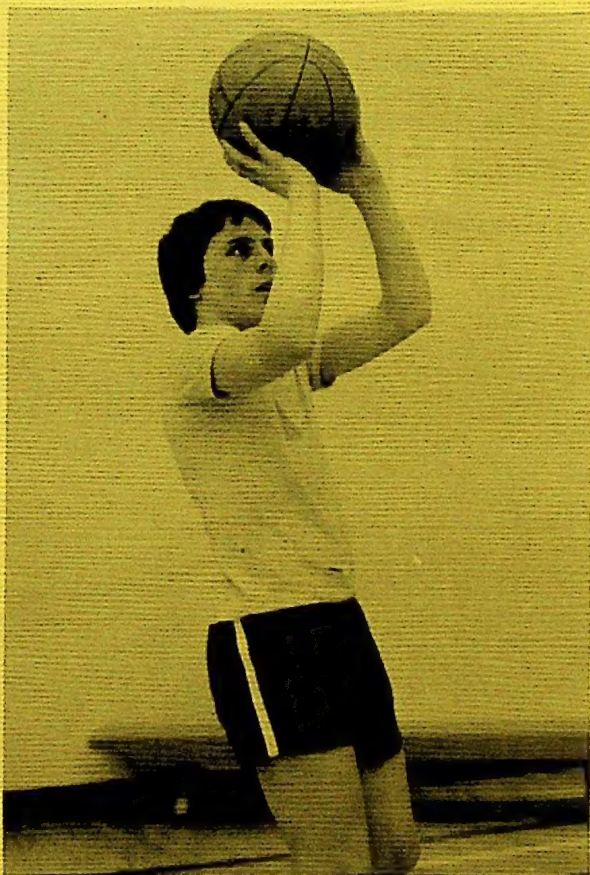

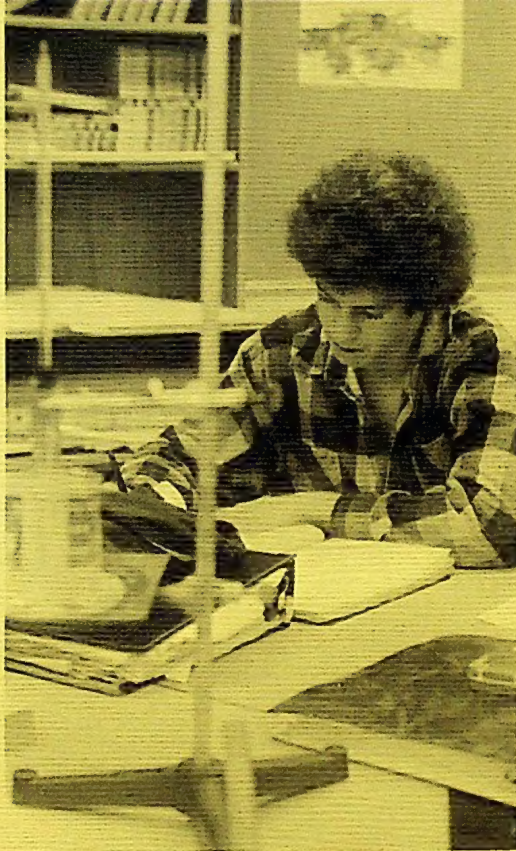

It's a place where interests are developed.

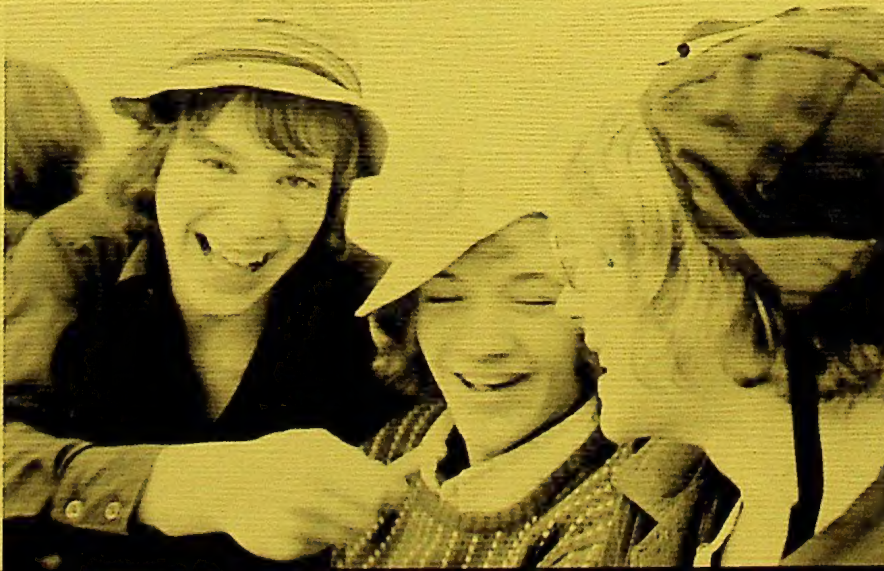

It's a place where students attempt to break a previous record!!!!

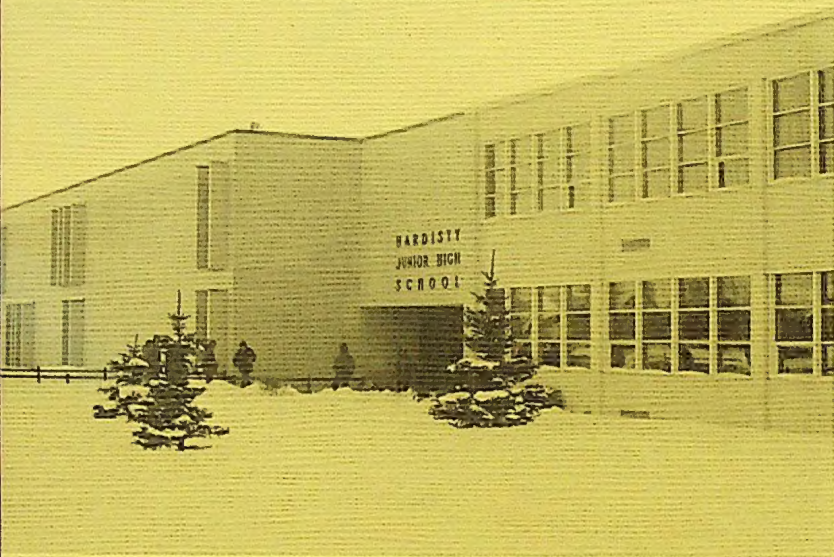

School is a place to work but
it's also a place to have fun!!!

But mostly school is a place where the facilities
of today are used to open the doors for the future.

Students Council

Back Row: Shannon Bidniak, Brenda Clarke, Julie Beck, Harold Kunas, Rob Epton, Richard Pedde, Janis Cook, Wendy Gray, Janice Samycia.

Middle Row: Trevor Greth, Terry Bazylewich, Alyson Watson, Barb Taylor, Mr. A. Purkess, Joanne Groot, Sally Hewes, Karen Pfrimmer, Venetia Baudin.

Front Row: Shelley Jerke, Judy Thompson, Cindy Buchanan, Fred Melnyk, Mary McLean, Blaine Maber, Gordon Johnson, Chris Moore.

Ever wondered
who put "The Hornet"
together??

Administration

I am only one, But still I
am one.
I cannot do everything,
But still
I can do something.
And because I cannot do
everything
I will not refuse to do the
Something that I can do.

-Edward Everett Hale

Who am I? Where am I going?
What shall I become? What is my
place in this complex world?
These and other similar questions
are typical of the problems which
puzzle all young people as they
search for a personal identity.

Often we are inclined to feel
that it would be nice to have
the answers, to know exactly what
awaits us, where, when, and under what circumstances. Such knowledge, it is argued, could
enable us to prepare more adequately and solve our problems more effectively.

Sober-minded reflection, however, raises serious doubts. Would removal of the uncertainty
and unpredictability also take away much of the adventure and excitement of living? Many
agree that it would. It is possible that things are indeed better as they are and that,
under these circumstances, the words of Everett Hale are sound advice to all.

My hope for our graduates is that each of you can learn to accept your imperfections and
realize your limitations; that you will not opt out simply because you are less than perfect
that you will each find something in life that you can do; that you will take pride in
doing it well; and, that you will experience the deep sense of fulfillment and satisfaction
that comes only from a job well done.

Best wishes to each of you.

Since I have been asked to contribute
a message, allow me to take advantage of
this opportunity to provide some
appropriate credits.

First, I wish to congratulate the
members of the 1973-74 yearbook committee.

To each grade nine student soon to
depart, I extend best wishes in your
future educational and career endeavours.
I trust that your participation in the
many curricular and extra-curricular
programs at Hardisty have helped to lay
another cornerstone in the foundation of
a strong and positive citizen.

As the end of the term approaches I
also welcome the opportunity of express-
ing my appreciation to Mr. Hughes for his
considerate and capable leadership, and
to the teachers, pupils and parents of
the Hardisty district for their cooper-
ation in making Hardisty Junior High a
school one can be proud of.

Mr. W.L. Hughes, Principal

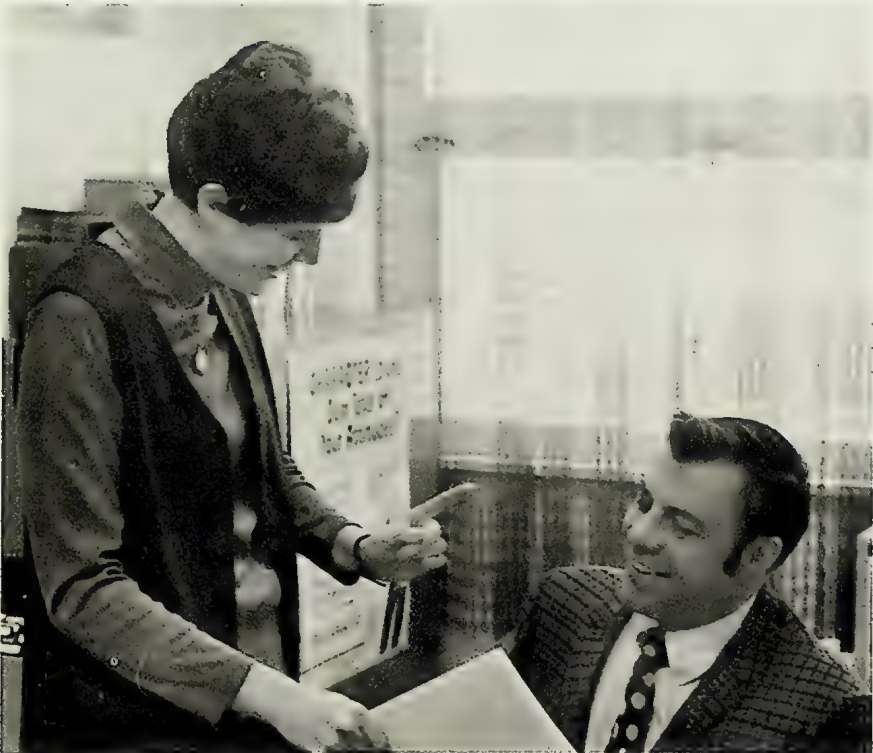

Mr. N.R. Jaques, Assistant Principal

Staff

This year Hardisty was very fortunate in that the school had a Community School Coordinator. Mr. A. Purkess, very ably managed to integrate the activities of both the school and the community. Would you like to use the school after hours?? Would you like the aid of someone to plan field trips?? Mr. Purkess is the one to see.

Mrs. Jan Wolfe, School Nurse.

Need somebody to talk to about the trials and tribulations of a common student? Don't know which courses to enroll in?? It's up to the second floor and to the counsellors you go. The kleenex box is always handy in the office of Miss M. Russell and Mr. L. Kuly, Hardisty's Guidance Dept.

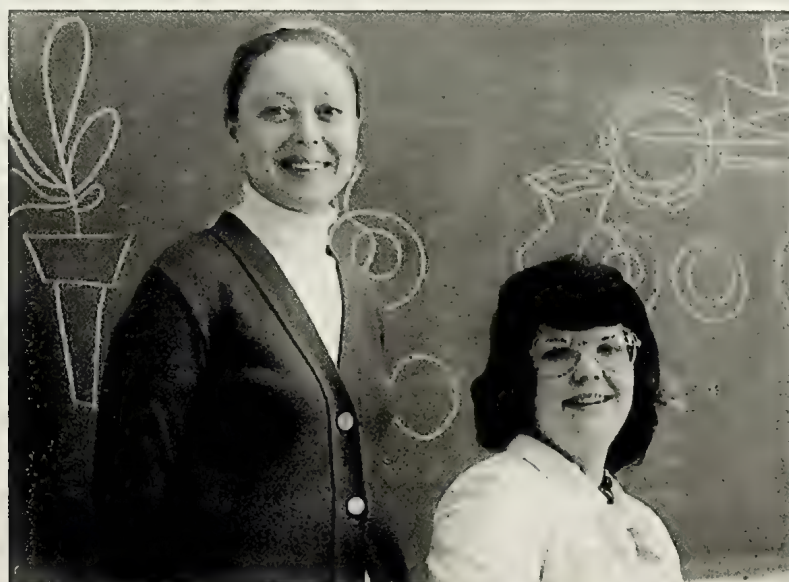

Mrs. I. Baptie is Hardisty's Chief Librarian and manages very capably to keep track of the thousands of books that travel through the library each week. With the help of Mrs. M. Haggerty, the library remains a very organized place to visit and study.

Physical Education

The Phys. Ed. Department gives students a chance to burn up all of their excess energy and to get rid of all the built up frustration obtained in academic classes by instructing them in such activities as soccer, football, speed ball, basketball, volleyball, wrestling, and track and field. Hardisty's excellent Phys. Ed. Department consists of: Mr. H. Twa, Miss A. McKinnon, Mrs. B. Winter, Mr. J. Reid and Mrs. L. Lewyk (lying on floor with foot extended)

Art

Do you have a creative idea?? Do you like working with clay, or toothpicks, or burlap or tissue paper?? Do you like to express yourself by making beautifully artistic objects?? The Art Department will inspire your creative mind, especially with artistically minded people like Mrs. P. Miazdyzk and Mrs. C. Humphries in charge.

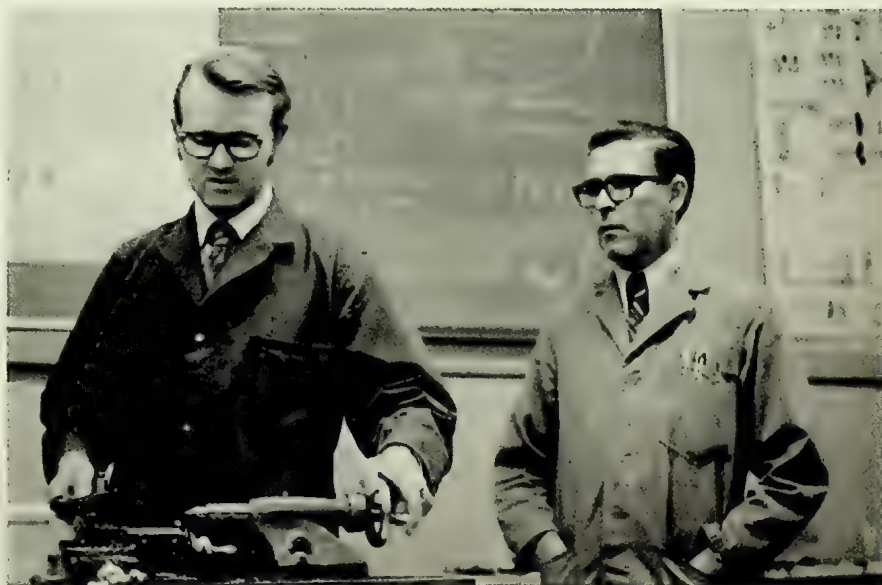

Home Economics

Teachers take note! If you have a sweet tooth it could be satisfied with some of the home made fudge or peanut brittle. They may also come to you with samples of cookies, cakes, or souffles, all of which have been made on the second floor in the Home Ec. Department, under the guidance of Mrs. L. Heyworth. Mrs. V. Cameron is in charge of the sewing section of Home Ec., and a visit to her department will find girls busily using sewing machines, scissors, patterns and yardsticks.

Industrial Arts

Photography, printing, electricity, wood-work are only a few of the many interesting topics studied in the Industrial Arts Department of Hardisty. Mr. D. Gruenberg and Mr. J. Sorochnan are instructors of this department and try, most successfully, to keep all students actively involved.

Science

Do you know all about equations and angles? The Math Department knows the answers? Do you know all about paramecium, binomial nomenclature, electricity, chemistry, sedimentary rocks, folded mountains, and the flame tests of minerals?? The Science Department should know the answers. This large department consists of:

Back Row: Mr. A. Gerdung, Mr. D. Griffiths, Mr. T. Ross, Mr. J. Bridge, Mr. B. Farrell.
Front Row: Mr. J. Chamzuk, Mr. E. Moline, Mr. L. Hillman, Mr. P. Godfrey, Mr. D. LaRue and Mr. D. Sware.

Language Arts

Be it nouns, verbs, objects or clauses, our Language Arts Department will know what it's all about. They will also inform you on such topics as essays, novels, and poetry. Our Language Arts Department consists of:

Back Row:

Mr. A. Purkess, Mr. A. Gerdung, Mr. K. Marshall, Mr. T. Sherstan, Mr. T. Uzwysyn, Mr. S. Greenslade, Miss S. Osietko.

Front Row: Mr. G. Cameron, Mrs. B. Bassett, Mrs. C. Humphries and Mr. W. Killick

Mrs. B. Ledieu, Lab Assistant, is a great assest to the Science Department in arranging for the equipment and materials needed in the many science classes of our school.

Parlez-vous Francais?

The task of instructing the students of Hardisty in the French language is assigned to Mr. G. Cameron and Miss C. Hutchinson.

French

Drama

Want to put on a skit?? Have you always dreamed of playing a leading role in a classroom production?? Drama is the class to be in.

Miss S. Osietko and Mrs. B. Bassett are in charge of the Drama Department at Hardisty Junior High.

Social

Want to know all about China? Russia?? Are you interested in Cro-Magnon Man? Or maybe Australopithecus Man?? The people to go to are in the Social Studies Department, Namely -
 (Back Row) Mr. S. Humphries, Mr. P. Sawchuk, Mr. F. Alexandruk
 (Front Row) Mr. N. Chernichan, Mrs. J. Fisher, and Mr. S. Greenslade.

Music

As you stroll down the hallway on the second floor and past Room 203 sounds of drums, french horns, clarinets, flutes, trombones, saxiphones, etc. can be heard. Mr. Bell, who is solely in charge of the Music Department manages very ably to take all of these sounds and to make sweet sounding music. Each year at Christmas Mr. Bell's music classes entertain the community at a concert.

Typing

Mrs. D. Lord is in charge of the typing Dept. and instructs the grade nine students in the art of typing. Carriages fly, bells ring, and keys go clickety clack under Mrs. Lord's capable supervision.

Mr. D. Michelsen, in the Lang. Arts. Dept., has an additional assignment at Hardisty Jr. High School. He is in charge of the Gifted Students Program. In his classes such things as professionalism, morality, and creativity are discussed. Through various field trips, Mr. Michelsen and Students attempt an answer to the question "What is a Scholar?"

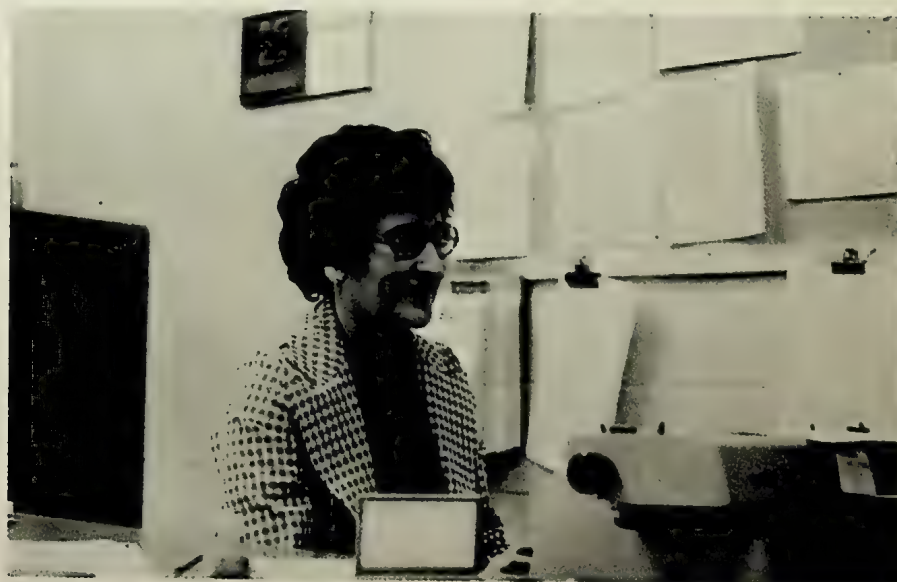

Attempting to help staff members with their various clerical problems, amid the ringing of phones, and the clamor of typewriters, our secretaries definitely have their work cut out for them. Mrs. M. Rayner, our head secretary, and Mrs. B. Macbeth do a most remarkable job of keeping order in the office. Also assisting in the office is Mrs. L. Starchuk.

Secretaries

Custodians

Hardisty Junior High School is very fortunate indeed to have, on staff, a fine group of hard working individuals who compose the custodial staff. Without the following capable people, our school could not function:

Back row: Mr. Al Norlander, Mr. I. Krause, Mr. M. Elkow, Mr. T. Cottonjack.

Front Row: Mrs. A. Jones, Mrs. G. Hanas, Mrs. E. Klarenbach, Mrs. M. Adams.

Front row - Al MacDonell, Dale "Buzzy" Rushfeld, Pat Frazer, Don Lupul

Track and Field

As this yearbook is in publication Hardisty's Track and Field teams are busy preparing for the many meets ahead of them. Students take part in noon hour practices and compete in a school track and field meet. Winners of this meet advance to the local, then the zone, and finally to the city meet. Along with Volleyball and Basketball, Track and Field plays a major part of the athletic activities of our school.

HARDISTY FITNESS CLUB

Co-Presidents: Phil Loewen
Earl Treptau

Staff Sponsor: Mr. H. Twa

Club Motto: Fitness means
Participation.

PURPOSE:

- (a) avoidance of hypokinetics
- (b) to provide a possibility for regular exercise of various form.
- (c) to overcome the burdens created for man because of the industrial revolution,
- (d) to have fun in a club designed to improve physical fitness and health.
- (e) to improve cardiovascular endurance and muscular strength.

ACTIVITIES:

- (1) each activity is offered to any student who would like to join the club.
- (2) there are two fees payable to join: sweat and effort.
- (3) each activity runs for about 2 months paralleling the P.E. program.

The gymnastic's club was well attended by girls in grades seven, eight and nine. Most of them were practicing their routines for their physical education classes while others were practicing for the intramural competition. The gymnastics club finished with a display at Hardisty's Open House.

HARDISTY KILLERETTES

FOOTBALL

Grade Seven

Fun Day

At the beginning of each school term, hundreds of new faces appear at Hardisty Junior High school to begin their Junior High school education. These grade seven students come from the elementary schools of Capilano, Gold Bar, Forest Heights and Terrace Heights. As a means of welcoming these students, a Fun Day is held, when students are given a half day off to take part in various outdoor activities, such as the ball flip, egg race, sponge throw, tug of war and so on. It's Hardisty's way of saying "Welcome".

The HARDISTY 500

SNOW FEST

A beautifully warm spring day greeted the arrival of snow fest - Hardisty's version of a winter carnival. Classes are cancelled for the afternoon and almost immediately there is a frenzy of excitement as snow statues begin to take form and as the students begin the various events of the afternoon. This list of events include such activities as the toboggan race, log-sawing contest, tug of war, rump raising, harpoon throw, fire building contest, and the snow ball throw. Everyone gets really soaking wet by the end of the fest, but everyone agrees that it's really a lot of fun.

OLD FASHION DAY

Old Fashioned Day commemorated the Birthday of John A. MacDonald, January 11th. Many students dressed in the attire of days gone by. Speeches were given by nominated contestants (Teachers and students), and the winner, Mary McLean, was appointed Honorary Assistant Principal of the Day. Old Time Dance culminated the day.

The Amazing World of Kreskin!

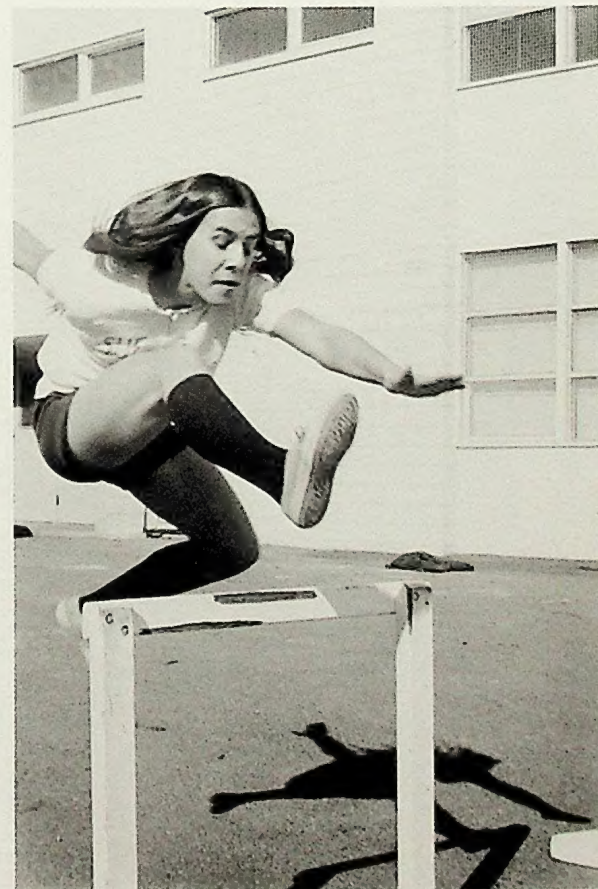

Voila la flop!

I wonder what
it's like to streak?

I know!

And she's off and running - yes
"old Nellie" has the lead by 3 lengths!

It's a greek god! It's Hermes!
No - it's only Bruce!

Typical Joel - mouth open!

We'll take a pinch of arsenic,
and three tablespoons of
sulphuric acid. There! Now
off to a teacher we go.

Smile Wayne - your shorts have just dropped!

How can I go on?
I'm a flop -
my bra's on backward!

The End

The Yearbook Staff would like to take this opportunity to express our sincerest thanks to Mrs. B. Macbeth for the many hours of typing she has put into this yearbook. It has all been done on her own free time and obviously without her capable assistance, this yearbook could never have materialized. Thanks, Mrs. Macbeth.
